

Queensland State Archives Strategic Plan 2016-2020

Our vision is to inspire all Queenslanders to discover the stories contained within the record of the Queensland Government - anytime, anywhere

Our vision is to be recognised as the most innovative archive in the world

Our mission is to ensure the public records of Queensland are made, managed, kept and preserved for the use & benefit of present and future generations

OUR STRATEGIC GOALS

Improving services to Queenslanders

Improving services to Government

Advance Queensland

People

OUR STRATEGIC PRIORITIES

We will inspire the public with new innovative ways of accessing, using and experiencing our collection – physical and digital

We will enhance our Government customer experiences in the areas of policy, service design and delivery

We will provide expert advice and scrutiny to government, making sure the permanent record survives and thrives

We will provide a government network for knowledge and records management leaders to enhance capability and capacity

We will engage and collaborate with others to sustain a vibrant collection and services to help Advance Queensland

We will harness innovative digital technologies and partners to improve our service offerings and delivery and become a Digital Archive by Default

We will deploy our resources with agility, flexibility and efficiency to deliver our strategic goals

We will develop new income streams to support our services and future innovation

We will promote technological & process innovation at QSA in all areas

We will be a great place to work
We will increase and harness the diversity of our workforce
