### Background

As previously advised in Newsflash #290, the Australian Building Codes Board's BCA 2008 Information Seminars will be held in Brisbane on 3 and 4 March 2008 to explain the 2008 amendments to the BCA. As part of these seminars, the Australian Institute of Refrigeration, Air Conditioning and Heating will give a presentation for interested persons on parts of Section J including:

- Part J5 – Air Conditioning and Ventilation – deemed-to-satisfy (DTS) Provisions for new buildings
- Part J6 – Artificial lighting and Power – DTS Provisions for new buildings
- Verification Methods for New Buildings

The seminars will be held at Royal on the Park, Cnr Alice and Albert Streets, Brisbane beginning at 9:30am and concluding at 12:30pm on 3 and 4 March 2008. If you would like to attend but have not yet registered, please note that registrations close seven days before each seminar. Registration details are available from the ABCB website [www.abcb.gov.au](http://www.abcb.gov.au)

Following the seminars, BCQ will be hosting FREE training sessions on the new plumbing legislation and water saving measures which came into effect on 1 January 2008. These sessions will commence at 1:15pm and conclude at 3:00pm. All are welcome to attend. Please note, however, that lunch will not be provided.
