

Additional Provisions

Version 001 – dated 10 May 2007

Introduction

In 2006, the Department of Public Works undertook a major review of its standard procurement terms and conditions for the acquisition of goods and/or services to incorporate any new legal and legislative requirements on specific issues. This review also aimed to ensure that these conditions adequately address specific and emerging procurement practices and trends. Industry is very supportive of a single set of terms and conditions across Government as this reduces the costs of the tendering process.

To complement the Conditions of Offer and Conditions of Contract, this “**Additional Provisions**” document has been created to assist Agencies in developing their Invitation to Offer documents. This Additional Provisions document contains additional precedent / template clauses, schedules and notices which address specific Agency procurement requirements and which Agencies may incorporate into their Invitation to Offer document. If an Agency identifies particular clauses, schedules and/or notices in these Additional Provisions relevant to its proposed Invitation to Offer, it may cut and paste those into its Invitation to Offer in Part 1, Part 2 (clause 2.2 - Additional Conditions of Offer), Part 5 (clause 5.2 - Additional Conditions of Contract) and Part 6, as applicable. If any Agency is in doubt about whether to use a certain clause, schedule or notice then it is recommended that legal advice be sought.

INVITATION TO OFFER DETAILS – PART 1

NOTE TO AGENCY:

Due to the new Mail Security Screening Provisions which affects major government office buildings within the Brisbane Central Business District and for Emergency Services at Kedron Park, the use of Offer lodgement boxes in public foyers is now prohibited. Agencies who are affected by this new Screening Provision can decide whether they will use the Decipha Tender Box facility or have Offer/s forwarded directly to their own postal or physical address. To allow for both of these scenarios below is appropriate wording which Agencies can utilise in their Invitation document.

NOTE TO AGENCY:

Offer Lodgement to Decipha Tender Box Service:

Agencies choosing to utilise the Decipha Tender Box Service should incorporate the following wording into item 7 of the Invitation to Offer Details.

ITEM	SUMMARY DETAILS
7.	<p>Lodgement of Offer (Clause 8.1) [HARD COPY ONLY]</p> <p>Offers submitted in response to this Invitation will be received by the Agency via Hard Copy:</p> <p>YES: <input type="checkbox"/> NO <input type="checkbox"/></p> <p>If <u>YES</u>:</p> <p>Offerors are required to submit one original and <<insert number of copies required>> copy/s of their Offer.</p> <p>The following information <u>MUST</u> be identified on the front of the sealed package:</p> <ul style="list-style-type: none"> • Invitation No.; • Invitation title; • No. of packages (e.g. 1 of 2 or 2 of 2, etc); • Agency's name; • Contact Officer's name and position title; • Closing Date; • Offeror's name, address & contact details. <p>and addressed to:</p> <p>Queensland Government Tender Box Decipha Pty Ltd 2 Duncan Street, West End Q 4101</p> <p><u>OR</u></p> <p>Queensland Government Tender Box Decipha Pty Ltd GPO Box 2482 BRISBANE Q 4001</p> <p>All packages submitted by the Offeror in relation to this Invitation must be bound together and the entire package should not exceed 615mm wide by 455mm high. NOTE TO AGENCY:**Offer Lodgement to Agency:**

Agencies may, in lieu of using the Decipha Tender Box Services, choose to retain their Offer Box in an area not accessible to the public and direct Offerors to lodge Offers at their postal or physical address, as was the case prior to the introduction of the Mail Security Screening. However, in choosing to do this, responses sent through Australia Post will be subject to Security Screening by Decipha and therefore limited to the package dimensions requirements stated below.

Agencies choosing to direct Offerors to lodge Offers at their postal or physical address should incorporate the following wording into item 7 of Part 1 - Invitation to Offer Details.

7.	<p>Lodgement of Offer (Clause 8.1) [HARD COPY ONLY]</p> <p>Offers submitted in response to this Invitation will be received by the Agency via Hard Copy:</p> <p>YES: <input type="checkbox"/> NO <input type="checkbox"/></p> <p>If <u>YES</u>:</p> <p>Offerors are required to submit one original and <<insert number of copies required>> copy/s of their Offer.</p> <p>The following information <u>MUST</u> be identified on the front of the sealed package:</p> <ul style="list-style-type: none"> • Invitation to Offer No.; • Invitation to Offer title; • No. of packages (e.g. 1 of 2 or 2 of 2, etc); • Agency's name and address; • Contact Officer's name and position title; and • Closing Date. <p>and addressed to:</p> <p><<insert Agency's postal address of where the Offer is to be submitted>></p> <p><u>OR</u></p> <p><<insert Agency's physical address of where the Offer is to be submitted>></p> <p>All packages submitted by the Offeror in relation to this Invitation must be bound together and the entire package should not exceed 615mm wide by 455mm high.
