## Building Australia's Future conference 2009

### Purpose

To remind interested stakeholders that the Australian Building Codes Board (ABCB) - Building Australia's Future 2009 conference will be held from Monday 21 September until Wednesday 23 September 2009 at the Royal Pines Resort, Gold Coast.

### Background

A previous newsflash was issued by Building Codes Queensland on this topic (refer [newsflash 357](#)). The conference provides an opportunity for delegates to meet with their interstate and international colleagues to gain knowledge of current topical issues and techniques relevant to building regulatory practices and requirements.

The formal conference registration will be held on Sunday 20 September, with the workshops held over the three day period. These will include:

- climate change—a moving target
- performance through innovation—meeting objectives and expectations
- energy efficiency—innovative software and future directions
- common BCA misinterpretations
- natural disasters.

### Registration and further contact

To register for this event or for further information, please visit the ABCB's website at [www.abcb.gov.au](http://www.abcb.gov.au) or fill out the registration form attached to newsflash 357. Accommodation has been reserved by the conference organisers with negotiated rates.
