## Building Australia's Future Conference 2011

### Purpose

The Australian Building Codes Board's national conference 'Building Australia's Future' will be held at the Gold Coast from 19–21 September 2011.

### Background

The conference will provide an opportunity for delegates to engage with industry and academic professionals from interstate and overseas, to gain knowledge of current topical issues and to be exposed to techniques for the practical application of building regulatory requirements.

Key themes of the conference include:

- operating with codes and standards
- access for all
- buildings—the environmental balance.

Sessions will run over three days from Monday 19 September until Wednesday 21 September at the Marriott Resort. Formal conference registration will commence on the afternoon of Sunday 18 September.
