ERRATUM

SIGHTING OF PORTABLE LONG SERVICE LEAVE LEVY

Purpose

To advise of a correction to News Flash Issue 49 of 8/3/00, which contained a typing error in the fourth paragraph on page 1.

Correction

Please note that the word 'under' should read 'over'. The fourth paragraph is to read as follows:

The *Workplace Health and Safety Regulation 1997* (s47) requires the payment of a Workplace Health and Safety notification fee at the same time as the Portable Long Service Leave levy payment is made, if the value of work is **over** \$80,000.
